

SPANISH FLIERS
OFF FOR FLIGHT
AROUND THE WORLD

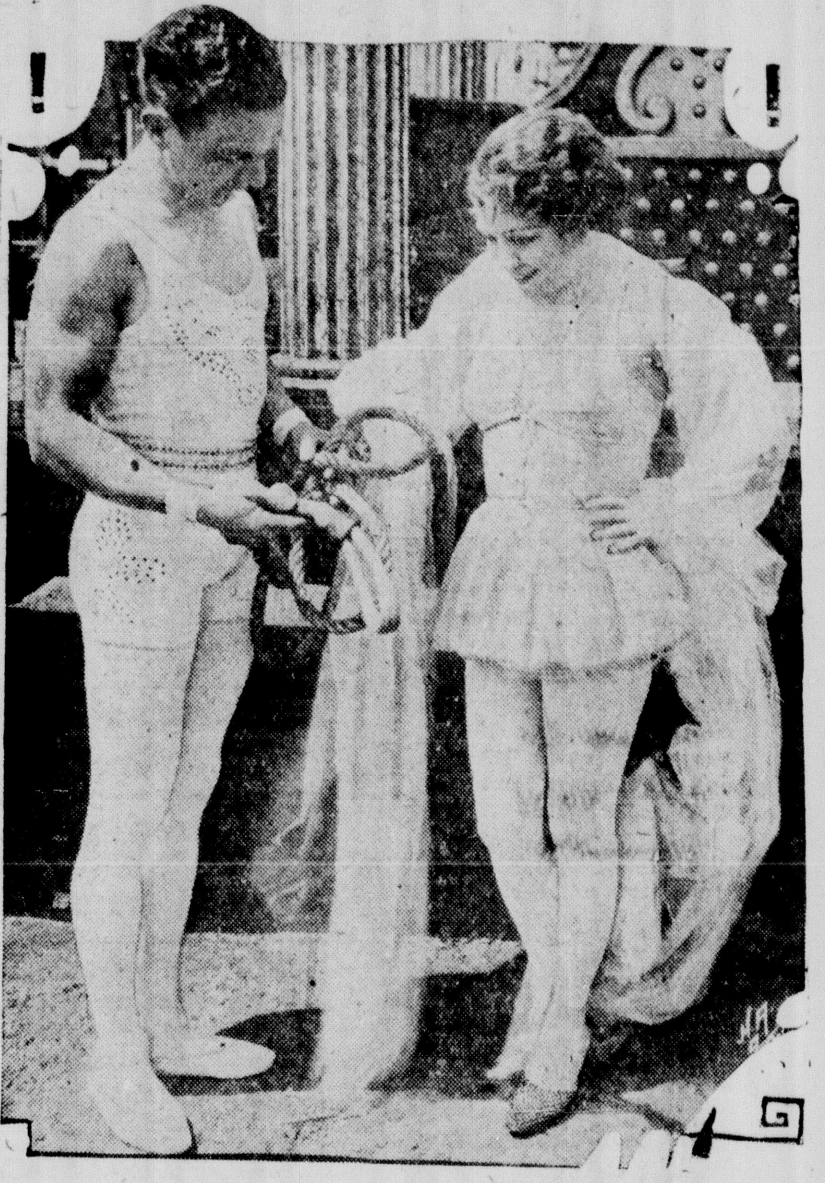

Franco, With Two Captains
and Mechanic, Com-
mence Trip
INTENSIVE PREPARATION
Fuel Capacity of Ship Over
2,000 Gallons; Cruising
Radius 2,500 Miles

CADIZ, SPAIN—Aug. 1.—(INS)—
Bound for the Azores in the first leg
of a projected round-the-world flight,
Commander Ramon Franco, famous
Spanish aviator, hopped off from here
at 7:30 A. M. today, (3:30 A. M. eastern
daylight time), in a huge Dornier-
Superwal Hydroplane, the Numancia.
Franco was accompanied by Cap-
tains Ruiz de Alda and Gallarza, of
the Spanish Royal flying force and a
civilian mechanic, Pablo Rada.
Radiograms received throughout the
morning said the Numancia was pro-
ceeding without incident. The plane
was in touch with stations in the
Azores and Lisbon, the location being
indicated through the radio-con-
troller.
The start of the flight today follow-
ed months of intensive preparation.
The hydroplane was assembled here
by German mechanics and then put
through severe tests. It is fitted with
four Napier engines of 500 horsepower
each and is said to be capable of main-
taining an average speed of 125 miles
an hour under ordinary conditions.
The Numancia has a wing-spread of
95 feet and is of all-metal construc-
tion. It weighs 33,000 pounds when
empty and is capable of carrying a
load of 8,000 pounds. Its fuel cap-
acity exceeds 2,000 gallons, giving it
a cruising radius of about 2,500 miles.
According to tentative plans an-
nounced before the start of the flight,
Franco intends to fly to Halifax after
reaching the Azores. From Halifax,
Franco will fly down the Atlantic coast
to Havana, stopping at New York on
the way south.
From Havana, he will fly to Mexico
City, then up the Pacific coast to
Alaska, across the Bering sea, down
the coast of Siberia and Manchuria to
Japan, thence to the Philippines, Bur-
ma, India and Persia in turn and
across Europe back to Spain. Suitable
stops will be made enroute.
Two years ago, Franco successfully
spanned the South Atlantic from Eu-
rope to South America for the first
time. Ruiz de Alda and Rada accom-
panied him on that flight also. Gal-
larza won fame as an aviator in 1926
when he flew from Spain to Manila.

FAMILY REUNIONS ARE NOW IN FULL SWING
THROUGHOUT BUCKS COUNTY; ATTENDANCE IN
SOME CASES HOVERS AROUND HUNDRED MARK

Twentieth Annual Gathering of Wiley Clan Takes Place at
Forest Park — Weisel Descendants Have A Pleasant
Time at Old Homestead Through Kindness of Present
Owner.
Family reunions throughout Bucks
County are now in full swing. How-
ever, all Bucks county clans, are not
holding their annual gatherings in the
county. Some journey to spots ad-
jacent to Bucks County which play a
prominent part in the history of the
particular family.
Owing to the fact that interest in the
Wiley family reunion is said to be
waning, it was decided at the 20th
annual reunion held at Forest Park,
Saturday, to discontinue holding the
reunions for at least one year. Mem-
bers of the family are entertaining
hopes that in the meantime the in-
terest will be renewed and another
organization may be effected.
About 90 persons attended the re-
union. Members of this family are
the descendants of Peter and Jane
Oliver Wiley, who were born in Ire-
land and who came to this country
early in the 19th century.
The meeting was in charge of
Sampson Wiley, Phila., president of
the association, who explained that
interest in the reunions is waning and
at his suggestion the matter of discon-
tinuing the reunions was placed be-
fore the association and it was at this
time that it was decided to discontinue
them for a year.
Reports of the secretary showed that
during the past year the association
had three deaths, one birth and one
marriage. The persons who died dur-
ing the past year were Charles L.,
husband of Esther Huey and a son of
John and Mary Huey, aged 41 years,
Riverton, N. J., Oct. 10, 1927; Mrs.
Annie Courtney, Quakertown, Sept.
16, 1927, and Charlotte Erwin, Cole-
brook, N. Y., Jan. 15, 1928.
The only birth recorded was that
of Kenneth Edward, son of Mr. and
Mrs. Edward Williamson, New Hope,
June 26, 1928, while the only mar-
riage recorded was that of Clementine
Hiland and Ruth Wiley.
One dollar was awarded Kenneth
Williamson, New Hope, aged 1 month
and 2 days, for being the youngest
member in attendance. The award was
made by the family association. The
oldest member in attendance was
Thomas Wiley, of Doylestown.
During the noon hour a picnic din-
ner was served.
The annual reunion of the Weisel
family was held Saturday on the old
homestead, H. J. Dager, Ambler, the
present owner granting permission to
spend the day there.
Many recollections of old days were
brought to mind as this farm had been
owned by the Weisel family for about
90 years.
After a bountiful dinner the men
enjoyed quills and later in the after-
noon sports were the main feature for
the small children and young folks.
Before supper a short business
meeting was called by the president,
Samuel W. Weisel.
The historian reported one marriage
that of Willis Weisel and Modesta
Abbott, Nov. 25, 1927, and four births
Weisel Blythe, a daughter, Betty Jean,
Sept. 14, 1927; John and Mae Wise, a
daughter, Grace Irene, Dec. 22, 1927;
Albert and Margaret Weisel, a daugh-
ter, Doris Jane, Jan. 20, 1928, and
Calvin I. and Olga Kephart, Washing-
ton, D. C., a daughter.
The youngest member present was
Doris Jane Weisel.
Officers for the coming year are
president, H. Phares Weisel; vice
president, William Seipt; secretary,
Kathryn Detweiler; treasurer, Joseph
Hallman.

LEEDOM'S DEFEATS THE
A. O. H. TEAM; 6 TO 2

Game Was Very Slow and
Uninteresting to Crowd
of Spectators
MANGAN PITCHES WELL
(By T. M. June)
In a very slow and uninteresting
game last night, Leedom's routed the
A. O. H. nine to the tune of a 6 to 2
score. The game was easily won by
the carpet-makers, who took the lead
in the initial canto and kept it
throughout.
Mangan pitched good ball for the
winners and was helped along by good
support. Two double-plays were made
by his mates.
"Lefty" Rodgers started on the hill
for the "Hibos" and was hit hard in
every inning he served. Lake was
rushed in the box in the fourth and
quieted the Leedom's bats.
Barrett was the leader with the war-
stick. He had a triple, a double and
a walk out of the three times he car-
ried his bludgeon to the platter. Coop-
er featured with a wonderful running
catch of Rodgers' short fly.
By virtue of their win the Leedom's
team is again in a deadlock with St.
Ann's for the top-notch position of the
league. The two teams will meet on
Thursday night.
Cooper opened the game with a single
and went out trying to steal second,
McDevitt to Thompson. Barrett
tripled. Riola walked and went to sec-
ond unmolested. Fine singled, scoring
Barrett and Riola. W. Fine fanned.
Connors hit one for a single. White
also received a single, counting J.
Fine. Wilkinson flied out.
The Hibernians were put out easily
in their first. Thompson singled.
White caught Thompson off first by a
fast throw to J. Fine. Dougherty was
passed. Margerum hit to Riola who
threw to Wilkinson, getting Dougherty.
Wilkinson threw to J. Fine, getting
Margerum and completing a double
play.
Leedom's again tallied in the sec-
ond. Mangan flied to short. Cooper
rolled to Lawler. Barrett got a two-
bagger. Riola also doubled, counting
Barrett. Riola went out trying to
stretch his hit, Connors to Lawler.
A. O. H. shaved the carpetmakers'
lead to two runs in their part. Mc-
Devitt and Rodgers singled. Lake was
called out for being hit by his own
batted ball. McDevitt and Rodgers
worked a double steal, McDevitt go-
ing to third and Rodgers to second. H.
Brady hit to Riola who threw over
Fine's head, scoring McDevitt and
Rodgers. McGinley grounded out.
Lawler flied to W. Fine.
Leedom's took the two runs back
in the third. J. Fine rolled out. Mar-
gerum and Rodgers. W. Fine got a two-
base hit to left. Connors received a
pass. Both men advanced on a wild
pitch. White struck out. Both runners
scored on a passed ball. Wilkinson
walked. Mangan grounded out.
In the "Hibos" part, Thompson
was tossed out by Riola. Dougherty
reached first on W. Fine's error. Mar-
gerum forced Dougherty. Wilkinson
to Fine. Margerum went out stealing.
White to Wilkinson.
Lake took the mound burden in the
fourth. Cooper reached first on Law-
ler's error. Barrett walked. Riola
flied to Brady. Cooper made third on
a passed ball. Cooper tried to score
on another short passed ball and was
tagged out by McDevitt. J. Fine struck
out.
The Hibernians again failed to count
in their turn. McDevitt whiffed. Rod-
gers' short fly went to Cooper. Lake

38 FINED FOR
VIOLATION OF
DOG LAWS HERE

State Detectives Issue War-
rants for Second and Fifth
Ward Residents
EACH ONE IS FINED \$9.50
Hearing Takes Place at Office
of Justice James
Laughlin

Thirty-eight residents of the second
and fifth wards of Bristol bor-
ough, many of them well-known in
the borough, have been arrested and
fined for violation of the State dog
law, which requires that every dog six
months old or over shall have a li-
cense.
Warrants have been issued for eight
more. These will probably be served
today, and the arrests made.
The office of Justice James Laugh-
lin, Bristol Township, was the scene
of the hearing last night, and although
the rooms are of fair size they proved
entirely inadequate for the emergency.
The hearings were devoid of any
sensations with the exception of one
instance. One of those arrested gave
an amusing alibi for not having a li-
cense for the canine which was
charged up to him. This individual in
broken English claimed that the dog
was not his, that he had taken out the
license and paid for the same for a
while.
He then stated that the license had
been lost from the dog's collar, and
that he was without evidence to prove
that he had paid for the necessary per-
mit. Justice Laughlin asked him
where his receipt was for the money he
paid for the license. The reply was
"The widow has it." The justice would
not accept the alibi. The fine was paid.
The arrests of the 38 were made by
two state detectives, Long and Pick-
ering, who are located in Montgomery
County. They came to Bucks county
to assist H. B. Ketter, who has charge
of this work in the two counties.
The fines imposed in each instance
was \$9.50.

Charter Received by Bristol
Consolidated Fire Dep't

The quarterly meeting of the Con-
solidated Fire Company of Bristol was
held in the municipal fire station last
evening. The charter granted by the
Judge of the Court of Common Pleas
of Bucks County was received and
approved.
There was considerable other
routine business transacted, and at the
conclusion of the meeting a light
lunch was served the members.

LAND VALUES
The department of agriculture at Washington by statistics confirms the accepted theory that agricultural lands net less profit than other investments. To this condition many attribute the financial ups-and-downs of the farmer.

Inflated land values work a two-fold hardship upon the farmer. They place upon him the burden of obtaining from his land the excessive earnings necessary to give him a fair return on his money or to carry large mortgages. And each increase in the purchase price of farm land serves to raise assessed valuations with the result that the farmer often bears more than his share of the tax burden.

In the long run both the farmer and consumer would probably gain if land values were to take a tumble. The immediate loss to the farmer would probably be more than compensated in the future relief the lower values would work.

There would be a more equitable distribution of the tax burden if all property irrespective of its use, was taxed on its potential earning power. Such a tax system would force land owners to make full use of the earning power of their property and would serve to determine actual values.

THE SHADOW
Colonel Theodore Roosevelt was roundly scored and abused when, some time ago, he attacked Governor Al Smith of New York, and declared that his candidacy for the presidency throws the shadow of Tammany across the white house. Colonel Roosevelt's warning seems to have been sounded none too early.

If there was any doubt a year ago as to the intimacy between Governor Smith and Tammany, it has been dissipated by the developments of recent date and by the undisputed charges which his opponents have hurled at both him and the New York tiger. In fact, the tiger has come out of its lair into full view of the nation.

The shadow of Tammany rests upon the white house, and it is going to be up to the voters of this country to determine whether the substance is going to move in and occupy the seat of government.

Colonel Roosevelt declared that there is no such thing as a new Tammany; that the man must be judged by the company he keeps, and that Governor Smith keeps company with Tammany and always has. The personal integrity of Governor Smith is not in question, but he is sponsored and backed by Tammany, a political organization of corruption and graft, of whose repentance and reformation this country has no valid evidence.

It is never safe to trust the man whose only motive for being honest is that it is the best policy.

If you cannot interest a man in a proposition to make money, he is probably not long for this world.

Through the agency of the corner drug store a lot of girls are able to make roses bloom throughout the year.

Men may not be practical, but they wouldn't wear knee pants and spend their time trying to pull the things down over their knees.

If the walls look as if the plasterer has stood in the middle of the room and thrown it on with a shovel it is what is known as Modern and Very Artistic.

Family Reunions Are Now In Full Swing In Bucks County

(Continued from Page One)

Approximately 60 descendants of Abraham and Margaret Clayton attended the 21st annual family reunion held in Ivyland Hall Saturday. While the family history has been traced to Abram Clayton, the earliest progenitor of the family in America is still unknown. Tradition says that two brothers arrived on the Mayflower in

1620 and that in 1665 members of their families settled in this county and others in Monmouth county, N. J., having migrated south from Plymouth, Mass.

Sports, a picnic dinner and supper and a short literary program were features of the day. The literary program was presented as follows: singing, "America," devotions in charge of the president, William Babbington; duet, Hannah and Dorothy Clayton, Glenside; family paper, Mrs. Frank Woodward, Huntingdon Valley; reading, Mrs. E. I. Radcliffe, Lahaska; historical paper, William Babbington, Bethayres; recitation, Mrs. Frank Woodward, Huntingdon Valley; singing and prayer.

The election of officers resulted as follows: president, William Babbington, Bethayres; vice president, Frank Woodward, Huntingdon Valley; secretary, Mrs. Annie Hoyle, Glenside; treasurer, John Ramsey, Ivyland.

The executive committee includes Mr. and Mrs. Frank Woodward, Mr. and Mrs. Curtis Hignley and Mr. and Mrs. Carl Duddridge.

The committee on deaths, births and marriages reported two of each. The births were Alice Harriet, daughter of George and Marion Hobensack, Ivyland, May 25, 1928 and Joan Helen Morris Doan, daughter of Leslie and Helen Doan, Lansdale, May 26, 1928.

The two marriages recorded were those of Robert L. Clayton and Miss Annie Lillie Strutz, Lansdale, July 23, 1928, and Duane Doan and Miss Ida Mae Cardell, Oct. 29, 1927.

Members of the family lost through death during the year were Horace Duffield, Aug. 25, 1927, and Jonathan Clayton, aged 86 years, Jan. 21, 1928.

It was decided to hold the reunion next year on the last Saturday in July at Forest Park, Chalfont.

About 125 members of the Yost family met at Memorial Park, Schwenksville, for the thirty-first annual re-

union of the clan, and a most enjoyable gathering is reported.

It was an all-day affair, with a business session in the morning, dinner, and in the afternoon games and "stunts" for the young people and kiddies, and reminiscences for the older members.

In the unavoidable absence of the president, Frank Yost, Collegeville, the first vice president, Mrs. W. O. Yost, Norristown, presided, and gave the address of welcome, followed by singing of "America" and prayer by Mrs. Annie Palmer, Phila. After announcements, and singing of "The Battle Hymn of the Republic," with Miss Elizabeth Hallman, Norristown, R. D. at the piano, a nominating committee was appointed, consisting of Reuben Beyer, Ambler; Mrs. James Steltz, Phila., and Walter McCuen, Jeffersonville.

The following officers were elected: President, Harry E. Yost, Conshohocken; vice presidents, Mary H. Hendricks, Pottstown; and E. A. Herbert, Norristown; secretary, S. Howard Hallman, Norristown; treasurer, J. K. Freed, Phila., who succeeds F. H. Schwonk, Norristown, who resigned after holding the office for eighteen years; historian, Miss Lillian Summers, Phoenixville, who retains the office.

A vote of thanks was given the retiring treasurer for his long and faithful service. The annual meetings are always the fourth Thursday in July, and Memorial Park was again selected as the 1929 meeting place.

Interesting features were the reading of letters from members of the association unable to be present and roll call, with data.

The oldest member present was Charles B. Hendricks, Wyncote, who is eighty-four, while the youngest is the ten-month-old son of Mr. and Mrs. Charles Leslie Hunsberger, Phoenixville. The "newlyweds" were Mr. and Mrs. Russell G. Attwood, Ashland, and the member coming farthest to the reunion was S. R. Shealer, Durham, N. C.

The Yost family in Penna., dates back more than two centuries, the progenitor being Jacob Yost (or Yost) who emigrated to America in 1727, together with the noted George Mitchell Weiss, the first regularly ordain-

ed minister of the Reformed church in this country.

Jacob Yost and his family settled in Whitpain township, soon becoming a land holder and the property he acquired in 1740 was still in possession. (Continued on Page Three)

The Value of A Name

Everybody knows the value of a good name to an individual, but not many stop to think of the enormous value of a trademark. It has been only a few years since Liggett & Myers Tobacco Company began to advertise Chesterfield Cigarettes; but from the very beginning the brand has grown—year after year, month after month—until the sales have reached an enormous volume and the name Chesterfield is worth millions and millions of dollars and is known in every nook and corner of the country. Everybody knows "They Satisfy."

County Service Clubs
To Sponsor Hobby Show

(Continued from Page One)

"We want to keep the Doylestown Fair a real county fair."

"For several years the fair association officials have been endeavoring to create more interest among the school children of Bucks county, by staging children's days during fair week. This has been more or less unsatisfactory, in that not enough children have been able to attend."

"With a Hobby Show as a feature of the fair, every boy and girl in Bucks county will have an opportunity to exhibit some hobby, competing for ribbon prizes in addition to whatever awards may be decided upon before the fair."

"The fair association will furnish the space, the tent and the ribbon awards for a hobby show. We feel that every boy and girl has some hobby, and if the service clubs of the county can assist in creating interest among the children of the county, the hobby fair will be a great thing."

Representing Doylestown Rotary, Past President N. P. Power, stated that Rotary in Doylestown was 100 per cent behind the project. The same ex-

pression of opinion was voiced by T. R. Lewis, Perkashie Rotary; William Schlachter, Sellersville Kiwanis; and Thomas B. Stockham, Morrisville Rotary, who could not be present last night but who notified Doylestown Kiwanis "to count on Morrisville."

J. Harry Hoffman, county superintendent of schools stated that he felt that a hobby fair will create real educational interest. He said that he was sure that every school in Bucks county could take a part in the show and that the state Department of Education would co-operate in the project.

Allen Gardy, secretary of the Doylestown Fair, said that in his opinion "a hobby show can be made a wonderful thing, since both girls and boys will have exhibits in the show."

Secretary "Boss" Thomas, of Doylestown Kiwanis, suggested that the plan be worked out through the schools in each community, but that members of the various service clubs, personally explain the details of the hobby show at a session of school some morning, shortly after schools convene in September.

It was reported that William F. Livermore, Jr., Bucks county Boy Scout Executive, promised 100 per cent support from every Boy Scout troop in the county. The various troops will

enter the hobby show, Scout section. At the meeting to be held on August 13, final details of the hobby show will be worked out and an organization appointed to carry them out.

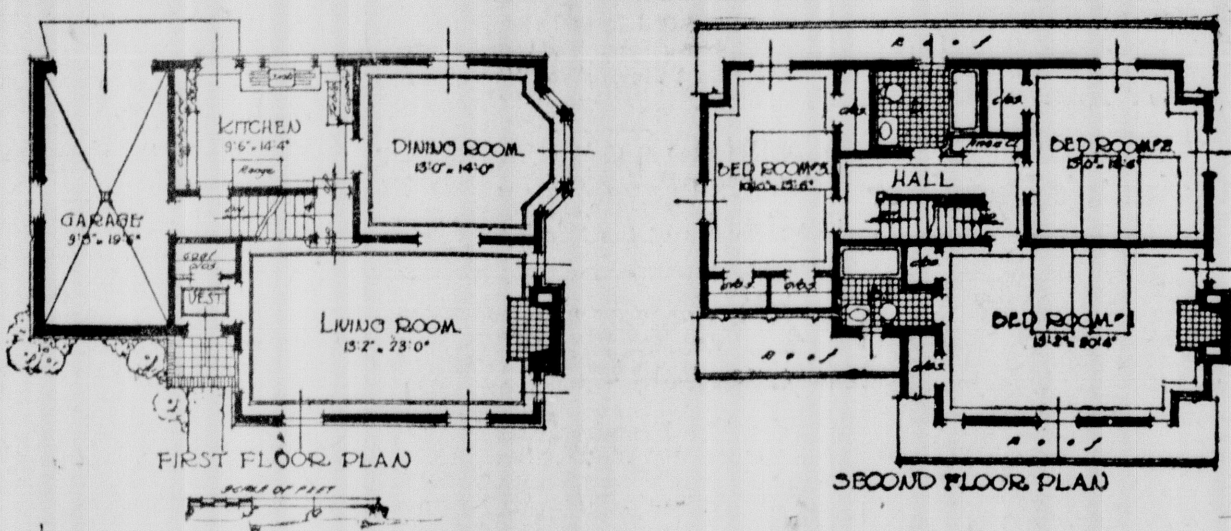

Past President Isaac J. Vanartsdalen, reported on his visit of a week to Camp Buccoo, the county Boy Scout camp near Annandale, N. J. His praise of every member of Kiwanis, toward

the annual campaign for funds for the Doylestown Emergency Hospital. Other guests present last night included Ralph E. Myers, guest of Walter M. Carwithen; and Walter T. Schwab, Pottstown Kiwanis.

In addition to a report next Monday night of the Seattle convention to be given by two members of the Glenside

Kiwanis Club, an added feature will be a musical program de luxe to be presented by three members of the famous radio "Flit Soldiers," who are spending a vacation in Bucks county.

There Is Much Charm in This Practical English Cottage

(By R. C. Hunter & Bro., Architects, New York)

With the full rich flavor of the old cottages of rural England this little house provides a complete modern American plan that unites to make an ideal home. It combines in an unusual degree the artistic and the practical, and it is economical to build.

The garage extension lends charm to the design and since it connects directly with the cellar stairway it is most convenient.

The combined living and dining room is a good feature in the small house and with a built-in breakfast alcove in the kitchen the whole arrangement becomes very livable.

The two large bed rooms on the second floor are well laid out and have good closet space.

A generous attic is provided and a cellar extends under the entire house, the latter providing the space for the laundry, heater and such.

The house must set close to the ground as shown in the sketch and a soft weathered color scheme should be adopted.

White stucco of rough trowel finish, "Clinker" brick, grey timber work and a roof of soft blended tones of gray, brown, and black would give a good effect.

The house properly measures 27 feet 6 inches across the front, so a forty foot lot will serve.

Cost about \$6,400.

Complete working plans and specifications of this house may be obtained for a nominal sum from the Building Editor. Refer to House A-153.
